Another accident happened on the corner of Church and Valley streets about 2:15 Thursday morning when the H. V. Beebe car, driven by Mrs. Beebe, knocked over a hydrant in swinging to avoid a collision with the Barnham & Keegan delivery truck, driven by Emil Cote. The Beebe machine, a Buick touring car was proceeding west along Valley street. Mrs. Beebe sounded the horn to cross Church street when the Ford truck suddenly appeared. In avoiding a collision, Mrs. Beebe swung, in an attempt to turn up Church street and in failing to do so the car mounted the sidewalk and broke the hydrant, smashing the car's front left wheel and springing the axle. There were four occupants in the car, one being Lloyd Beebe, who fell from the rear seat and cut his forehead against the robe rod.

Stiff? Sore?

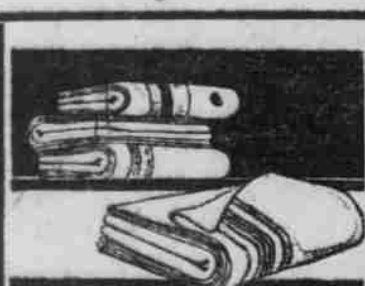

A lame back, a sore muscle or a stiff joint often is considered too lightly by the sufferer. It should be remembered that backache, rheumatic pains, stiffness, soreness, swollen joints and puffiness under the eyes are symptoms of kidney and bladder trouble—and these certainly should not be neglected.

Foley Kidney Pills

help the kidneys eliminate from the system the poisonous waste and acids that cause these aches and pains. They act promptly and effectively to restore weak, overworked or diseased kidneys and bladder to healthy, normal condition.

J. E. Simmons, 620 E. 5th St., Portland, Ore., writes: "I was troubled with backache and urinary trouble. I tried Foley Kidney Pills and will say that I highly recommend them to any one troubled in that way, as they are excellent."
